Want more?

- Include email to receive status updates on service requests.
- Meet CHIP – L.A.’s Virtual Assistant!
It is available 24/7 to answer questions on the MyLA311 website. Just “Ask CHIP”!
- MyLA311 Mobile app can be accessed anywhere, anytime from your smart device. It’s easy. It’s convenient. And it’s free.

Access to City of Los Angeles non-emergency services and general information just got easier with the introduction of MyLA311 services. Requests entered go immediately to the department field crews for service. We offer several ways to self-serve using a computer or smart device 24x7. We can also assist you in many languages if you call 3-1-1. Call, app, or web – we are here to assist you!
