COUNCILWOMAN JANICE HAHN ANNOUNCES TRAFFIC SAFETY IMPROVEMENTS IN HARBOR GATEWAY AND WATTS FOR 2008-09

LOS ANGELES—Councilwoman Janice Hahn today announced a number of traffic safety and operational improvements for the northern part of her district in the 2008-09 fiscal year.

“I work every year to see that we get the much needed traffic safety improvements that we deserve in Harbor Gateway and Watts,” said the Councilwoman. “Residents expect government to keep roads safe and operational and all of the projects scheduled for this year will improve the quality of life in our neighborhoods.”

Improvements, broken down by community, include the following:

Harbor Gateway/Athens on the Hill:

- Speed feedback signs at the following:
 - Normandie Avenue north of 213th Street
 - Normandie Avenue north of Carson Street
 - 135th Street west of Hoover Street
 - 135th Street east of Ainsworth Avenue
- Speed humps on Kalmia Street between 107th and 108th Streets

Watts:

- Activated pedestrian warning device at 116th Street and Avalon Boulevard
- Left turn arrows at Broadway and Imperial Highway
