Description of Project and LEA's Determination

The Falcon Refuse Center is an approximately 5.7-acre transfer station located at 3031 East 'I' Street in Wilmington, California and is bounded by the Terminal Island Freeway on the West, 'I' Street on the South, and Paul Jones Avenue on the East.

On June 18, 2007 the LEA received from Allied Waste Transfer Services of California, Inc. an application for a RFI amendment to include a revised Alternative Odor Management Plan (AOMP).

The LEA finds that the proposed change is consistent with all applicable certified and/or adopted CEQA documents, is consistent with State Minimum Standards, and does not conflict with the terms and conditions in the current solid waste facilities permit. The LEA approved the amendment on July 18, 2007.
