Camas, WA 98607-9526

Phone: (847)664-3281
Fax: (847) 313-3281

For general mechanical testing and listing, general plumbing testing and listing (including fire protection equipment testing); plumbing products with backflow prevention devices, where there is an ANSI standard covering the product, and the backflow prevention device is not one which requires separate approval by the Los Angeles County Health Department as a stand-alone backflow prevention device, and the tested and listed product is not in conflict with the State of California or Los Angeles City Codes or ordinances; does not include backflow prevention devices whose use involves contact with potable water and does not require separate approval by the Los Angeles County Health Department, general gas testing and listing when tested and labeled as meeting ANSI/AGA standards.

For flame and smoke testing: UL 723

For gas fired equipment more than 400,000 BTU input: UL 795.

For drinking water treatment units: NSF 14, 60 and 61.

For testing and listing to the above standards as long as the listed products are not in violations of Section 94.301 of Los Angeles Plumbing Code and Sections 95.105 and 95.301 of the Los Angeles Mechanical Code, 2008 Editions.

Expiration : June 1, 2010
