

COMPANIES INTERESTED IN TESTING SOIL GAS

The companies are listed in alphabetical order by name and not ranked in any order. LADBS does not endorse the goods or services provided by the businesses or individuals on this list. This list was created for the public's convenience to contact possible companies to perform soil gas testing required in Chapter 71 of the City of Los Angeles Building Code.

Please contact LADBS Material Control Section, (213) 482-0000 to verify the status of the company's approval to perform soil gas testing. See LADBS website: www.ladbs.org, click on "Licenses, Test Labs and Approved Products" button, and choose "Approved Testing Agencies."
