

Cultural Diversity Research Page

The Department of Cultural Affairs is committed to the consideration of arts funding to the diverse cultures of Los Angeles. The information on this page is used to monitor our progress in achieving this goal. Your responses are confidential and for internal purposes only.

Name of Primary Applicant _____

City of Los Angeles Council District Affiliations:

Check below the Council District (1 - 15) in which the primary applicant is headquartered or, if it is headquartered elsewhere, identify the name of any other city in L.A. County of your primary office

- 1 2 3 4 5 6 7 8 9 10 11 12 13 14 15

Elsewhere in L.A. County: _____

Check below the Council District (1 - 15) of your event site

- 1 2 3 4 5 6 7 8 9 10 11 12 13 14 15

Ethnic Demographics: Please complete the following chart. Estimate or confirm the ethnicities of your board, project participants, and estimated project audience.

Ethnic Heritage	Board of Directors		Administrative & Artistic Personnel		Estimated Audience(s) To Be Served	
	Number	Percent of Total	Number	Percent of Total	Number	Percent of Total
A. African						
B. Asian						
C. Latino/Hispanic						
D. Caucasian						
E. Middle Eastern						
F. Native American						
G. Pacific Islander						
H. Mixed Heritage						
I. Other _____						
TOTAL		100%		100%		100%

Non-ethnic Special Constituency Demographics: Check below each special constituency that is among your project's *target audience*. Special constituencies you check may be reported to other City departments, social service providers, and interested constituents. Be certain your services reflect their needs, if you claim any of these groups among your *target audience*. If you are funded, Cultural Affairs will look for evidence of outreach in your final reports and project *evaluation*.
