WIA INFORMATION BULLETIN NO. 01-108
CLARIFICATION ON FUNDING DEADLINES FOR CERTIFICATION

In the budget approval letter you have received, there may be an error in the statement regarding the length of time full service and satellite One-Stop Centers will be funded pending results of the certification process.

The Workforce Investment Board (WIB) memo of March 9, 2001 from the Certification Subcommittee (Schedule for Submission of Applications for Certification), indicates that if a certification application has been submitted by the appropriate deadline and is "in play", funding will be continued as follows:

Full Service One-Stop Career Centers	<i>Through December 31, 2001</i>
Satellite Centers	<i>Through March 31, 2002</i>

If you have any questions or need further information, please contact your Certification Technical Assistance Analyst.
