EMPLOYED PARTICIPANT ROSTER**

The purpose of this letter is to provide you with a listing of employed CalWORKS participants who reside within the Los Angeles City limits. Because the City WtW program is limited to city residents only, it is necessary to provide all service providers with timely client information. This listing was provided to the City by DPSS and contains the following information to help our service providers market their WtW program directly to eligible clients:

- Participant Name
- Address
- Phone Number
- Participant Language
- Last Employment Start Date

Participants who have been on aid for 30 months or more, are identified by the asterisk next to their name.

Please note that the information on the attached listing is **confidential**. All of the records are to be used solely for the administration of the City of Los Angeles Welfare-to-Work program.

If you have any questions regarding this listing, please contact Scott Wiles at (213) 485-8428 or, swiles@cdd.lacity.org.
