SUBJECT: **WIA DIRECTIVE NO. 02-45**
PY 01-02 WIA SUPPLEMENTAL YOUTH FUNDS

Directive 02-34 was released on January 31, 2002, notifying all WIA Youth Opportunities System Lead and Joint contractors that the State Employment Development Department had allocated WIA Supplemental Youth Funds for PY 01-02 in the amount of \$770,964. It was the intention at that time to allocate these funds on a formula basis to the current WIA service providers and amend PY 01-02 contracts to reflect these additional funds.

This directive serves to inform you that the Community Development Department Workforce Development Division has received preliminary funding information from the State that indicates a reduction in WIA youth funds for the City of Los Angeles for PY 02/03. As a result, CDD *will not* be allocating the WIA supplemental funds during the current program year. Instead, the Department will be placing these funds into the formula allocation for service providers for PY 02/03 in order to maintain the current youth system funding level next year and avoid any decrease in funding for core program services.

If you have any questions regarding this matter, please contact your assigned program advisor.
