Dear Ms. Blakey:

As you are aware, Los Angeles World Airports (LAWA) is currently holding community meetings regarding the Los Angeles International Airport (LAX) Master Plan. One of the issues centers on whether the runways on the north airfield need to be reconfigured.

I am writing to inform you that, absent a clear demonstration that such a change is necessary to ensure the safety of passengers, workers, and the surrounding community, I do not support a reconfiguration of the north airfield at LAX.

I wish you a happy holiday season and look forward to meeting with you on this issue in the near future.

Very truly yours,

ANTONIO R. VILLARAIGOSA
Mayor
