Councilman Smith Tours Chatsworth Trails on Horseback, Discusses Community Issues

Los Angeles – Councilman Greig Smith joined Chatsworth Equestrian group Corral 54 for a community horseback tour of some of Chatsworth's many equestrian trails and natural areas.

About a dozen local riders joined the ride on Sunday, June 25, which started at Stoney Point Ranch.

Councilman Smith and Corral 54 members discussed issues important to the equestrian community, such as trail preservation, equine legislation, new parkland and development. Corral 54 provided refreshments to help participants cool off after the ride.
