

Bring your **IMAGINATION** to a workshop that will create a new **VISION** for **WARNER CENTER**. A team of urban design consultants needs your ideas for what it will look like in 2030. Your input will shape the new **Warner Center Specific Plan!**

Please come to 2 different workshops to help make the vision of Warner Center **YOUR VISION:**

Workshops will feature presentations, small discussion groups & hands-on design with consultants

**Workshop #1** Please attend either:  
Thursday, July 24, 2008 5:30-8:30 pm or  
Saturday, July 26, 2008 9 am-12 noon

- Understand what we have today
- Craft a shared vision statement
- Discuss transit & development options

**Workshop #2** Please attend either:  
Thursday, Sept. 4, 2008 5-8 pm or  
Saturday, Sept. 6, 2008 9 am-12 noon

- Review input on options
- Choose a preferred transit & development approach
- Discuss streetscape, design standards and incentives by topic

All workshops will be held at:

Kaiser Permanente Hospital, Auditorium B Entrance #5  
5601 De Soto  
Woodland Hills, CA 91367
