

MOTION

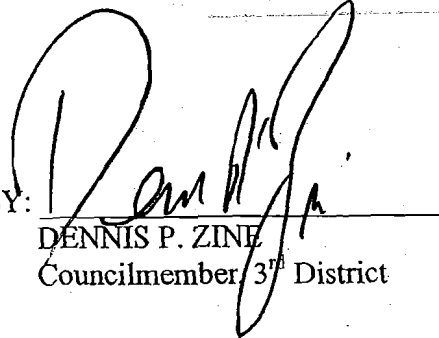

The Reseda Neighborhood Council has designed the attached street banners for its outreach effort to encourage stakeholders to become aware of and involved in the Neighborhood Council and to provide input into the governance of Los Angeles.

Los Angeles Municipal Code Section 62.132 specifies that the Council must approve street banners that will be designated as "City of Los Angeles Non-Event" street banners before a permit can be issued for installation on light poles.

I THEREFORE MOVE that the Council, in accordance with Los Angeles Municipal Code Section 62.132:

1. Approve the Reseda Neighborhood Council as a City "Non-Event" street banner.
2. Approve the content of the street banners for the above-specified program, as attached.
