CARDENAS FULFILLS THE WARM WISH OF OVER 450 FAMILIES
Hundreds of Valley Families to Receive Turkey Dinners and Holiday Baskets

Thanksgiving can be a somber time for needy families. They are reminded that while many Angelenoes are spending time in warm celebration, they are struggling to find the next meal for their children. Councilman Tony Cardenas is helping to alleviate some of the worry by giving those families bountiful baskets of Thanksgiving goodies. **Over 450 families** have received vouchers from Cardenas' office to pick up their

delicious holiday meals complete with turkey, stuffing, vegetables, and additional entertainment/restaurant gift certificates.

There are two pick-up times designated for families. Media is invited to both and families will be available for interviews.
