

**Question #9: On section 4.2 - can the \$75,000 of operational support funds be used to offset the cost of running the center such as food, supplies, internet line, director salary, office manager's salary, parking cost for staff, staff benefits, a percentage of the overhead fees such as Executive Director, audit fees and insurance?**

**Amended response:**

- Section 4.2 of the RFP explains that up to \$75,000 of the operational support shall be used for staff development, training and education, quality and program improvement and enhanced services to children. Furthermore, Proposal Exhibit C, Section 3.5.6 of the RFP requires that the Proposer submit a proposed plan for utilizing the additional operational support provided by the City for staff development, training and education, quality and program improvement and enhanced services to children and families.
