

VETERINARIAN

The City of Los Angeles envisions the day that every pet born is ensured a good home and good care. Los Angeles Animal Services is looking for Veterinarians who desire to be part of our team by providing top quality care to animals in the City's new and expanded shelters.

A Veterinarian diagnoses and gives first aid treatment, including surgery as needed, to animals in the care and custody of Los Angeles Animal Services; inspects their care and treatment; assigns, reviews, and evaluates the work of employees assisting in the above work; advises the public and Department employees on matters within the field of veterinary medicine; exercises medical judgment and skill in the independent performance of responsibilities, applying current veterinary medical principles.

We value the integrity of every employee, we care about our customers, and we are dedicated to the humane treatment of animals. Join us. The City of Los Angeles is an Equal Opportunity/Affirmative Action Employer.

Required: Doctor's degree in veterinary medicine from an accredited veterinary school and a valid California State License to practice Veterinary medicine. Salary: \$6,739 - \$8,623 per month depending on experience. Excellent benefits.
