## THE SUMMER POOL SEASON IS APPROACHING

*More than 30 facilities in the City of Los Angeles will open June 20*

**LOS ANGELES** - The new family Aquatic Center at Jackie Tatum (Harvard) Recreation Center will be dedicated at 1:00 p.m. on Friday, June 19, 2009, and will join 33 other City of Los Angeles Department of Recreation and Parks seasonal pools in opening the next day. In addition, 16 year-round pools will begin their summer schedule.

For the 11th consecutive year, children age 17 or younger, seniors age 65 or older, and the disabled can swim for free at all City pools. Children ages 3-6 must be potty-trained and accompanied by an adult at all times; children under 3 must wear a swim diaper. The charge for adults ages 18-64 will be \$2.50; those who have a City Library Card will pay \$2.

The Department is partnering for the fourth straight year with Kaiser Permanente for Operation Splash through which qualifying children can receive free lessons. The 2009 commitment of \$250,000 will make it possible for thousands of kids in low-income areas to learn how to swim, and provided a slide at Jackie Tatum/Harvard Aquatic Center.

Another partner is the LA84 Foundation, which was established to manage Southern California's share of the surplus from the highly successful 1984 Summer Olympic Games in Los Angeles; the organization has granted hundreds of thousands of dollars to the Department of Recreation and Parks for a variety of uses, including aquatic facilities and programs.

For other aquatic activities, including lap, recreational, and adaptive swimming, water exercise, as well as fees for private, semi-private, and group lessons that are not covered by Operation Splash, the hours, what programs are offered, and registration requirements vary by site. Seasonal pools will be open daily through Labor Day, which is Monday, September 7.

Residents can contact their nearest pool, or the Department's Aquatics Section at (323) 906-7953, for more information and assistance. Individual pool brochures can be viewed and downloaded at [www.laparks.org/dos/aquatic/aquatic.htm](http://www.laparks.org/dos/aquatic/aquatic.htm).
