# CONSOLIDATED PLAN FACT SHEET

## WHAT IS THE CONSOLIDATED PLAN?

Every year, the U.S. Department of Housing and Urban Development (HUD) requires the City of Los Angeles to develop a plan that states how it will spend its annual federal grants that assist low-income communities and residents around the city. The City of Los Angeles receives federal funds to assist businesses to create jobs; improve neighborhoods through projects that eliminate slum and blight; and provide affordable housing, domestic violence shelters, services for seniors, and fair housing services. The second-year Action Plan will cover program year 45, starting July 1, 2019 through June 30, 2020.

## WHY ARE WE HOLDING PUBLIC HEARINGS?

We need your opinions on how the federal funds should be spent. Tell us what you think and help us develop a plan that is the best use of these grant funds in your neighborhoods.

## WHAT IS THE STRATEGY FOR HOW THE FUNDS WILL BE USED?

Our strategy is to take advantage of the additional funds the City will receive for affordable housing and other community investments, such as from Proposition HHH, the Permanent Supportive Housing Loan Program funded by city property taxes, and the recently approved Affordable Housing Linkage Fee, which will impose a fee on commercial and residential development to generate funds for affordable housing. These funds, together with Consolidated Plan funds, will help make Los Angeles communities healthier and more livable. Your comments will help us determine what's most important to you and help us to design a plan that guides how we achieve that over the next five years.
